SWL – Structured Workplace Learning:

The VCAA has determined that work placement is an appropriate and valuable component of all VET programs.

It provides context for:

- Enhancement of skills development
- Practical application of industry knowledge
- Assessment of units of competence, as determined by the RTO

It is often difficult to find suitable work placements for all dance students. To overcome this situation at Elisabeth Murdoch College we have organised industry visits, for example live performances and dance companies and through involvement in performances; eg: eisteddfods and school productions.
