

FMPLLEN is partnering with PFAD – Principal for a Day for the first time in 2018 to bring you some great partnerships.

Principal for a Day offers business and community a unique opportunity to experience a day in the life of a school principal.

How it works;

- Find out more and register with PFAD - [www.acer.org/pfad](http://www.acer.org/pfad)
- Email your Partnership Broker - [jo@fmpllen.com.au](mailto:jo@fmpllen.com.au) to discuss your preferences for a school or industry.
- Your FMPLLEN Partnership Broker will work with you and the PFAD team to make the experience worthwhile and relevant through the local knowledge and connections FMPLLEN has with both schools and industry.
