

## VET Coordinator – Website Resources

Extracted directly from:

<http://www.education.vic.gov.au/training/learners/courses/Pages/resources.aspx>Last

Update: 07 July 2017

- [Victorian Skills Gateway](#) – an online one-stop-shop for vocational training in Victoria. It enables vocational training consumers to easily navigate the extensive vocational training options available across Victoria, searching by occupation, course, study area or training provider
- [Learn Local Courses](#) – information about over 300 government registered organisations that deliver initial training and nationally recognised vocational courses for all Victorians
- [Beyond School](#) – information for students about further education and other career pathway options after they leave school
- [Leaving School Early](#) – reasons for staying in school and the options available if you choose to leave school early
- [TAFE and Training Line](#) – a telephone service which can refer you to courses offered by TAFE institutes, private providers and Learn Local organisations
- [Explaining Terms](#) – a reference guide containing key terms used in relation to training
- [Study Melbourne](#) – information and advice about living, working and studying in Melbourne and Victoria. It is aimed primarily at potential and current international students.
- [The Australian Apprenticeship Centre](#) – helps you find a local Apprenticeship Centre and includes information about finding an apprenticeship
- [myfuture](#) – an Australian online career exploration and information service to help you plan for your future
- [Youth Central](#) – information on finding work, applying for jobs, starting a business and employment rights and responsibilities
- [My Skills](#) – information on training courses for school leavers, students, apprentices, and employers
- [training.gov.au](#) – the National Register on Vocational Education and Training (VET) in Australia
