

PVET Handbook 2024

VET delivered in Secondary Schools

Course Information for
VET Coordinators

VETDSS – Vocation Education & Training Delivered to Secondary Students

The process listed below should be followed for all VET programs being offered in the Frankston & Mornington Peninsula region in 2024

Applications for Chisholm Institute should be made directly via the Chisholm web Portal by your schools VET Coordinator.

Applications for all other VET programs offered by private Registered Training Organisations (RTO's) not listed in this booklet should be via those organisations directly.

Key Steps:

- Complete the PVET Expression of Interest form on the fmpllen website and send by email to the school contact person listed for the relevant VET program. (www.fmpllen.com.au)
- Payment of an application deposit may be required by your own school.
- The initial closing date for applications are yet to be confirmed, although early applications are encouraged.

The application form is not a guaranteed enrolment.

Once classes are finalised, each student may need to complete an additional enrolment document or additional application forms or online applications as required by the relevant RTO's or TAFE.

There may be vacancies after the initial deadline but that will be dependent on numbers.

Please note: This brochure is a guide only and details are subject to change. You will require confirmation by the Registered Training Provider or TAFE.
VET enrolments are processed through secondary school VET Coordinators. If you are interested in completing this program, please contact your school VET Coordinator.

VET (Vocational Education & Training) in schools

Certificate III in Acting

COURSE OUTLINE

Training Provider: Australian College of Dramatic Arts (RTO: 3139)

Course Code: 22576VIC

Location: Elisabeth Murdoch College

Duration: 2 Year program (NO mid-year intake)

Time: Wednesdays 1:00pm–4:00pm (1st Year)

Wednesday: First Year: 4:15pm–7:15pm (2nd Year)

Cost: Please see your school VET Coordinator

Description:

We provide the skills, knowledge and attitudes for training in acting for Film and Television.

VET Acting is delivered to Year 10, 11 and 12 students who are passionate about this specialised subject. The units of competency are designed to give a common sense approach to learning.

- Filming in front of camera
- Confidence and communication builder
- Skills proficiency in interviewing, auditioning and screen-testing
- Develop digital skills that will ensure relevance and transferability to industry
- Production of a film project using the UOC electives needed in the second year
- Training caters for VCE, VCE-VM students

Contribution to VCE/VCE-VM:

Credit towards VCE, VCE VM, VPC and Intermediate VCAL. It is recommended that students have literacy and numeracy competencies equivalent to ACSF Level 2 and AQF Level 3, suitable to undertake a Certificate III. This certificate provides the minimum 180 hours required to achieve two units towards VCE and two VCE VET Credits in the VM, also providing 2 credits towards the VPC. Please note the minimum VET requirement for the VPC is one credit = 90 hours. VCE: On completion students will receive recognition of two units at Unit 1 and 2 and a Unit 3 and 4 sequence ATAR: Scored assessment is available for Unit 3 and 4 of this course. Students who undertake additional training can achieve a further Units 3 and 4 sequence and may be eligible for an increment.

Please note: This brochure is a guide only and details are subject to change. You will require confirmation by the Registered Training Provider or TAFE.
VET enrolments are processed through secondary school VET Coordinators. If you are interested in completing this program, please contact your school VET Coordinator.

VET (Vocational Education & Training) in schools

Certificate III in Acting

Elisabeth Murdoch College

Course Code: 22576VIC

Sample Units of Study:

Year 1:

- Work in a team
- Organise personal work priorities
- Apply work health and safety practices
- Develop and apply creative arts industry knowledge
- Prepare for performances
- Prepare and present self for auditions
- Develop script knowledge and performance skills
- Develop acting techniques

Year 2:

- Use inclusive work practices
- Provide freelance services
- Participate in negotiations
- Expand skills for auditions
- Expand script knowledge and performance skills
- Extend acting techniques
- Write the script

What to bring:

Students are required to bring 1 x A4 binder notebook, pens and high-lighters. Students are issued with a memory card and card reader along with software. This is designed so students can view their progress and undertake self-critique. The card is returned at the end of the course. The software is to be installed on a PC, or with MAC computers having the ability to play the footage automatically through iMovie or Quicktime. Students are required to bring the memory card to every filming.

Structured Workplace Learning (SWL)

It is planned to provide students with exposure to the Industry through organised Visits to Set and Excursions and Incursions with Industry guest speakers.

Further Study:

Advanced Diploma in Performing Arts

Diploma in Theatre Technology

Bachelor of Performing Arts

Please note: This brochure is a guide only and details are subject to change. You will require confirmation by the Registered Training Provider or TAFE.
VET enrolments are processed through secondary school VET Coordinators. If you are interested in completing this program, please contact your school VET Coordinator.

Acting

VET (Vocational Education & Training) in schools

Certificate II in Agriculture

COURSE OUTLINE

Training Provider: Access Skills Training (RTO: 4603)

Course Code:	AHC20116
Location:	Bayside Christian College
Duration:	2 Year program
Time:	Wednesdays 8.50am – 3.10pm (1st Yr) Wednesdays 8.00 - 12.00 (TBC)
Cost:	Please see your school VET Coordinator

Description:

Certificate II in Agriculture is an introductory course that prepares students for work in the Agriculture industry. The course aims to provide students with knowledge and skills in a range of basic agricultural practices, including aspects of plant production.

Contribution to the VCE/VCE-VM:

On successful completion of the program: recognition of two or more units at Units 1 & 2 level, and a Unit 3-4 sequence. Students who successfully complete the Unit 3-4 sequence will be eligible for an increment as their fifth or sixth subject towards their ATAR. This is not a scored Program. (there is no exam)

Sample Units of Study:

Core units:

- Participate in work health and safety processes
- Work effectively in the industry
- Participate in environmentally sustainable work practices

+ Electives

- Provide basic emergency life support
- Operate basic machinery and equipment
- Recognise plants
- Assist with soil or growing media sampling and testing

Agriculture

VET (Vocational Education & Training) in schools

Certificate II in Agriculture

Bayside Christian College

Course Code: AHC20116

+ Electives continued:

- Treat weeds
- Handle livestock using basic techniques
- Assist with pressurised irrigation operations
- Participate in workplace communications
- Undertake propagation activities
- Plant trees and shrubs
- Observe and report on weather
- Treat plant, pests, diseases and disorders
- Install, maintain and repair fencing
- Maintain health and welfare of poultry
- Maintain properties and structures

What to bring:

Students are required to wear appropriate clothes and footwear for working in a rural environment, including a compulsory high-vis polo shirt.

Structured Workplace Learning (SWL)

Structured Workplace Learning is not mandated but is strongly recommended as it provides the opportunity for students to demonstrate competencies acquired on the job.

Further Study options:

Certificate III in Agriculture

Diploma in Agriculture

Bachelor of Agricultural Science

Bachelor of Science (Major in Ag Science)

General Career Pathways

Farm Manager

Agricultural Scientist

Animal Technician

Please note: This brochure is a guide only and details are subject to change. You will require confirmation by the Registered Training Provider or TAFE. VET enrolments are processed through secondary school VET Coordinators. If you are interested in completing this program, please contact your school VET Coordinator.

Agriculture

VET (Vocational Education & Training) in schools

Certificate II in Agriculture

COURSE OUTLINE

Training Provider: Elisabeth Murdoch College (RTO: 21004)

Course Code: AHC20122

Location: Elisabeth Murdoch College

Duration: 2 Year program

Time: Wednesdays 1.30pm - 5.30pm

Cost: . Please see your school VET Coordinator

Description:

VET in schools multiplies opportunities for students. It enables students to complete a nationally recognised vocational qualification as well as contribute towards their VCE or VCE-VM Certificate. Classroom learning is combined with structured hands-on training and practice in industry. The program aims to provide students with the knowledge and skills to achieve competencies that will enhance their employment prospects in the agricultural industry and to gain a recognised credential and make a more informed choice regarding further education and career paths.

Contribution to the VCE/VCE-VM

On completion of the program students are eligible for four credits towards their VCE, two at Units 1-2 level and a Unit 3-4 sequence. Students who successfully complete the Unit 3-4 sequence will be eligible for a 10% increment towards their ATAR. This program will also satisfy the learning outcomes for the VCE-VM Industry Specific and the Work Related Skills strand.

Sample Units of Study:

Units delivered over the two years may include:

- Participate in work health and safety processes
- Participate in environmentally sustainable work practices
- Handle livestock using basic technique
- Provide feed for livestock
- Monitor livestock to parturition
- Assist with soil or growing media sampling and testing

Agriculture

VET (Vocational Education & Training) in schools

Certificate II in Agriculture

Elisabeth Murdoch College

Course Code: AHC20122

- Work effectively in the industry
- Identify and mark livestock
- Carry out basic electric fencing operations
- Provide emergency life support

To view the latest Units of Competency and course information go to:

<https://www.emc.vic.edu.au/sshandbook/vet/agriculture.html>

What to bring:

Students are required to wear appropriate clothes and footwear for working with animals in a farm environment.

Structures Workplace Learning (SWL)

This course requires students to undertake 80 hours of Structured Workplace Learning, 40 hours each year. This provides the opportunity for students to demonstrate competencies acquired on-the-job. Students undertaking this course are required to fulfil an industry specific workplace learning, which contributes to the completion of the competency. "Work in the animal care industry", and provides an opportunity to demonstrate competencies acquired off the job. During this time student's will be required to complete work place activities.

VET (Vocational Education & Training) in schools

Certificate II in Construction Pathways

COURSE OUTLINE

Training Provider: AIET (RTO: 121314)

Course Code:	CPC20220
Location:	Monterey Secondary College
Duration	2 Year program
Time:	Wednesday or Friday 9:08am–1.20pm (1st Year) Wednesday or Friday 9:08am–1.20pm (2nd Year)
Costs:	Please see your school VET Coordinator

Description:

Provides a pathway to the primary trades in the construction industry with the exception of plumbing. Trade outcomes are predominantly achieved through an Australian apprenticeship and this certificate allows for inclusion of skills suited for entry to off-site occupations, such as joinery and shopfitting, as well as carpentry, bricklaying and other occupations in general construction. This certificate is designed to introduce learners to the recognised trade callings in the construction industry and provide meaningful credit in a construction industry Australian apprenticeship.

Contribution to the VCE/VCE-VM

Recognition of up to two VCE VET units at Units 1 and 2 level, a VCE VET Unit 3-4 sequence.

Construction Pathways

VET (Vocational Education & Training) in schools

Certificate II in Construction Pathways

Monterey Secondary College

Course Code: CPC20220

Sample Units of Study: (below units are a sample only)

- Work effectively and sustainably in the Construction Industry
- Plan and organise work
- Carry out measurements and calculations
- Undertake a basic construction project
- Apply WHS requirements, policies and procedures in the Construction Industry

What to bring:

Students are required to wear appropriate clothes and footwear.
Students are required to have the following at all classes: Safety work boots/shoes.

Structured Workplace Learning (SWL) - Recommended but not mandatory.

Tertiary Pathways

Certificate III in Bricklaying/Block-laying

Certificate III in Carpentry

Certificate III in Joinery

General Careers Pathways

carpentry apprenticeship

wall and floor tiling apprenticeship

bricklaying apprenticeship

joinery and shopfitting apprenticeship

painting and decorating apprenticeship

Construction Pathways

VET (Vocational Education & Training) in schools

Certificate II in Dance (Cert III partial completion)

Training Provider: Elisabeth Murdoch College (RTO: 21004)

Course Code: CUA20120 & CUA30120

Location: Elisabeth Murdoch College

Duration: 2 Year program

Time: Wednesdays 1:30pm–5.30pm (1st Year)
Wednesday: 1:30pm–5:30pm (2nd year)

Cost: Please see your school VET Coordinator

Description:

Classroom learning is combined with structured hands-on training and practice in industry. The aim of this program is to:

- Allow learners to develop basic technical skills to prepare for work in the live performance industry.
- Perform a combination of technical dance activities aligned to the Australian Qualifications Framework at Level II.
- Demonstrate proficiency in Jazz & Contemporary dance styles.

Contribution to the VCE/VCE-VM:

On completion of the program students are eligible for four credits towards their VCE, two at Unit 1-2 level and a Unit 3-4 sequence. Students wishing to receive an ATAR contribution must undertake scored assessment for the purpose of achieving a study score.

This study score can contribute directly to the primary four or as a fifth or sixth subject.

Sample Units of Study:

Year 1: Core Units

- Develop basic dance techniques
- Follow safe dance practices
- Develop a basic level of physical condition for dance performance
- Work effectively with others

Dance

VET (Vocational Education & Training) in schools

Certificate II in Dance

(with selected units from Certificate III in Dance)

Elisabeth Murdoch College

Course Code: CUA20120 & CUA30120

Electives:

- Perform basic jazz dance technique
- Perform basic contemporary dance

Year 2:

- Prepare for performances
- Develop audition techniques
- Incorporate artistic expression into basic dance performances
- Develop and apply creative arts industry knowledge

Electives:

- Increase depth of jazz dance technique
- Increase depth of contemporary dance technique

What to bring:

Students are required to wear appropriate clothing for dance and a laptop.

Structured Workplace Learning (SWL) The VCAA has determined that work placement is an appropriate and valuable component of all VET programs. It provides context for: Enhancement of skills development, practical application of industry knowledge and assessment of units of competence, as determined by the RTO. It is often difficult to find suitable work placements for all dance students. To overcome this situation at Elisabeth Murdoch College we have organised industry days at a major professional organisation, visiting industry practitioners workshops and attendance at live professional productions throughout the year.

Further Study:

VET (Vocational Education & Training) in schools

Certificate III in Aviation (Remote Pilot)

COURSE OUTLINE

Training Provider: National Drones Training Institute (RTO: 41441)

Course Code: AVI30419

Location: Elisabeth Murdoch College

Duration: Two Year program

Time: Wednesday 1:30 – 4:30pm

Cost: Please see your school VET Coordinator

Description:

Remote pilots operating at this level will apply non-technical and technical knowledge and skills to demonstrate autonomy and judgement and will take limited responsibility within established regulatory parameters.

This qualification is relevant to individuals operating remotely piloted aircraft (Drones) within visual line of sight, below 400 feet outside of controlled airspace, greater than 3 nautical miles from an aerodrome, outside of populous areas. Remote pilot duties include applying technical and non-technical aviation skills and knowledge.

Students doing this qualification will also complete the requirements for certification by the Civil Aviation Safety Authority (CASA)

Contribution to the VCE/VCE-VM:

On completion of the program students are eligible for four credits towards their VCE, two at Units 1-2 level and a Unit 3-4 sequence. Students who successfully complete the Unit 3-4 sequence will be eligible for a 10% increment towards their ATAR.

This program will also satisfy the learning outcomes for the VCE-VM Industry Specific and the Work Related Skills strand.

Aviation (Drone Pilot)

VET (Vocational Education & Training) in schools

Certificate III in Aviation (Remote Pilot)

Elisabeth Murdoch College

Course Code: AVI30419

Sample Units of Study:

- Manage human factors in remote pilot aircraft systems operations
- Navigate remote pilot aircraft systems
- Operate and manage remote pilot aircraft systems
- Perform operational inspections on remote operated systems
- Control remote pilot aircraft systems on the ground
- Launch, control and recover a remotely piloted aircraft
- Manage remote pilot aircraft systems energy source requirements
- Apply the principles of air law to remote pilot aircraft systems operation
- Apply situational awareness in remote pilot aircraft systems operations.
- Operate aeronautical radio
- Complete a Notice to Airmen (NOTAM)
- Operate multi-rotor remote pilot aircraft systems
- Perform aerial mapping and modelling using remote pilot aircraft systems
- Perform infrastructure inspections using remote operated systems

What to Bring:

Students are required to bring a laptop and smart phone.,

Structured Workplace Learning (SWL) - TBA

SWL is not mandated in this program.

Certificate II in Electro-technology (Career Start)

COURSE OUTLINE

Training Provider: AGA Apprenticeships Plus (RTO: 3829)

Course Code:	UEE22020
Location:	Somerville Secondary College
Duration:	ONE Year program
Time:	Wednesday 9:00an - 3:00pm
Cost:	Please see your school VET Coordinator=

Description:

Fast track your certificate and complete it in 1year instead of 2. This pre-apprenticeship provides you with broad knowledge and practical workshop electrical (domestic and commercial) skills.

Contribution to the VCE/VCE-VM:

Students undertaking this program are eligible for Units at 1-2 & 3 level on completion.

Entry Requirements

You will need:

To be aged 15 years or over

To be currently completing a senior secondary program VCE or VCE VM

To spend at least one day per school week on timetabled training

Sufficient communication, literacy and numeracy skills

Sample Units of Study:

- Apply work health and safety regulations, codes and practices in the workplace
- Prepare to work safely in the construction industry (white card)
- Fabricate, assemble and dismantle utilities industry components
- Apply environmentally and sustainable procedures in the energy sector

Electrical (fast track)

VET (Vocational Education & Training) in schools

Certificate II in Electro-technology (Career Start)

Somerville Secondary College

Course Code: UEE22020

Sample Units of Study:

- Provide basic sustainable energy solutions for energy reduction in residential premises
- Fix and secure electrotechnology equipment
- Carry out routine work activities in an energy sector environment
- Attach cords and plugs to electrical equipment for connection to a single phase 230 Volt supply
- Identify and select components, accessories and materials for energy sector work activities
- Use routine equipment/plant/technologies in an energy sector environment
- Deliver a service to customers
- Provide basic instruction in the use of electrotechnology apparatus
- Provide solutions and report on routine electrotechnology problems
- Solve problems in single path circuits

What to bring:

Your School Laptop or tablet to every class (fully charged & with charger). This is to assist with accessing online assessments and resources weekly

Pen and workbook/paper

Long or short sleeved work shirt - can be Hi-Viz

Work pants or trade shorts

Steel Toe Capped Work boots.

Structured Workplace Learning (SWL) - Recommended but not mandatory.

Electrical (fast track)

VET (Vocational Education & Training) in schools

Certificate III in Equine Studies

COURSE OUTLINE

Training Provider: Box Hill Institute (RTO: 4687)

Course Code: 22513VIC

Location: Toorak College

Duration: 2 Year program

Time: Wednesday 1:00 – 4:00pm and/or 4-7pm (1st Year)
Tuesday 4:00pm–7:00pm (2nd Year)
and/or Wednesday (dependent on class sizes)

Cost: Please see your school VET Coordinator

Description:

Certificate III in Equine Studies is an introductory course that prepares students for work in the equine industry. The theory aspects will be delivered at Toorak College, and the practical components will be delivered at professional stables in Mornington.

The course will be delivered by a fully qualified trainer currently engaged in the Equine Industry with strong contacts in the equine and racing industry and across the Mornington Peninsula.

Contribution to the VCE/VCE-VM:

VCE: you will be eligible for up to five units towards your VCE: three units at Units 1 and 2 level, and a Units 3 and 4 sequence. A study score is available for this program, which can contribute directly towards your ATAR – either as one of your best four studies (the primary four) or as your fifth or sixth study. It can also contribute as a VET increment towards the ATAR as a 5th or 6th subject if the minimum elective hours are included.

VCE-VM: you will be eligible for up to five credits towards your VM – at the Foundation, Intermediate or Senior levels.

Entry Requirements

Students require a moderate level of physical stamina, strength, agility and coordination in order to meet the physical demands and be safe when handling horses and performing stable management duties. Students do not have to own their own horse to study this course.

Please note: This brochure is a guide only and details are subject to change. You will require confirmation by the Registered Training Provider or TAFE.
VET enrolments are processed through secondary school VET Coordinators. If you are interested in completing this program, please contact your school VET Coordinator.

Equine

VET (Vocational Education & Training) in schools

Certificate III in Equine Studies

Toorak College

Course Code: 22513VIC

Sample Units of Study:

Year 1:

- Work safely in industries with horse
- Work effectively in an equine industry
- Handle horses safely
- Provide basic emergency life support
- Identify equine anatomy
- Assist in the preparation of a horse for an event
- Assist in the conduct and organization of an event in the equine industry
- Apply knowledge of horse behaviour

Second Year Units

- Identify and describe equine physiology
- Implement and monitor horse feeding programs
- Relate equine form and function
- Implement and monitor horse health and welfare practices

What to bring:

Students require a moderate level of physical stamina, strength, agility and co-ordination in order to meet the physical demands and be safe when handling horses and performing stable management duties. Students do not have to own their own horse to study this course.

Structured Workplace Learning (SWL)

Students are required to complete 40 hours of industry placement before the end of Term 2. Students are required to source their own placement.

Further Study:

Certificate & Diploma IV in Veterinary Nursing

Advanced Diploma of Horse Management

Diploma of Horse Breeding (Stable Management)

Bachelor of Equine Science – Charles Sturt University

Plumbing

VET (Vocational Education & Training) in schools

Certificate II in Retail Cosmetics

COURSE OUTLINE

Training Provider: Foundation Learning Centre (RTO: 88021)

Course Code: SHB20116

Location: Western Port Secondary College

Duration: ONE Year program

Time: Wednesday or Friday 9:00am - 3:00pm

Cost: Please see your school VET Coordinator

Retail Cosmetics

Description:

This one-year program is designed as an entry point to the makeup industry and includes a comprehensive makeup and skin care training kit. This program is ideal for students interested in a career as an in-store cosmetics consultant or as a pathway to a professional makeup artist qualification. The program focuses on developing job-specific skills in demonstrating retail skin care products and designing and applying makeup. You'll also receive training in customer service, financial transactions, and other retail service skills. This hands-on course is designed to familiarise students with the day-to-day operations of working on a makeup counter, specialist makeup store (like Sephora), beauty salon or Department store (like Myer or David Jones). It is also the perfect choice for makeup 'vloggers' wanting to take the next step with their makeup tutorials and really increase viewer numbers!

Contribution to the VCE/VCE-VM:

There is no ATAR contribution. This subject does not have a study score and therefore cannot contribute towards the student's primary four.

A Certificate (issued at the end of the year) listing all units of competencies completed will be issued upon successful completion.

Please note: This brochure is a guide only and details are subject to change. You will require confirmation by the Registered Training Provider or TAFE.

VET enrolments are processed through secondary school VET Coordinators. If you are interested in completing this program, please contact your school VET Coordinator.

VET (Vocational Education & Training) in schools

Certificate II in Retail Cosmetics

Western Port Secondary College

Course Code: SHB20116

Sample Units of study:

- Contribute to health and safety of self and others
- Advise on beauty products and services
- Design and apply makeup
- Conduct salon financial transactions
- Recommend products and services
- Comply with organisational requirements within a personal services environment
- Communicate as part of a salon team
- Produce visual merchandise displays
- Organise personal work requirements
- Sell to the retail customer
- Participate in environmentally sustainable work practices
- Research and apply beauty industry information
- Receive and handle stock
- Design and apply make-up for photography
- Greet and prepare clients for salon services

What to bring:

Students are required to wear appropriate clothes and footwear for study. A laptop will be required. All students will receive a comprehensive makeup training kit which is part of the course material fees.

Structured Workplace Learning (SWL)

40 hours of work placement is recommended. The placement can be in any retail outlet and not necessarily confined to the make-up/cosmetics industry.

VET (Vocational Education & Training) in schools

Certificate II in Workplace Skills

COURSE OUTLINE

Training Provider: Foundation Learning Centre (RTO: 3977)

Course Code: BSB20120

Location: Western Port Secondary College

Duration: 2 Year program

Time: Wednesday 9:00am - 3:00pm

Cost: Please see your school VET Coordinator

Description:

The Certificate II in Workplace skills qualification provides foundational skills and knowledge needed to start your career in the Business world. You will become competent in a wide range of general information and communications including time management. Within the qualification you will learn how to use business software, as well as being able to work in a team and how to deliver effective service to customers.

This qualification also reflects the role of individuals who have not yet entered the workforce, and are developing the necessary skills in preparation for work.

This is an entry-level qualification that provides students with the knowledge and skills to enhance their employment prospects in a business or office environment. The certificate provides an understanding of business fundamentals within the Australian context and will assist students to gain employment opportunities in an entry level administrative or customer service role.

Contribution to the VCE/VCE-VM:

Please note: This brochure is a guide only and details are subject to change. You will require confirmation by the Registered Training Provider or TAFE.

VET enrolments are processed through secondary school VET Coordinators. If you are interested in completing this program, please contact your school VET Coordinator.
